

KWM VIRTUAL WHISKY TASTING BINGO

ADVENT EDITION

A WHISKY in the lineup is said to show 'much better the SECOND time around'	EVAN spouts some BLATANTLY INACCURATE information whilst maintaining a straight face	DUMPY, GLOOPY, FUNKY, FARMY, or another made-up adjective are used to describe a whisky	ANDREW makes reference to the STALE HARD CANDIES in a dish at a relative's place in a tasting note	A CONVERSATION is had for more than 3 MINUTES that has nothing to do with the WHISKY being tasted
Different (MIS) PRONUNCIATIONS for the name of a whisky or distillery are mentioned	The PATTISON WHISKY CRASH - or - The 1980s WHISKY CRASH are referenced	TWO or MORE different names for the KWM 2025 STILL NOT AN ADVENT CALENDAR TASTING SERIES are mentioned	The HOSTS go on a RANT regarding how poor a job the distillery owner does in BOTTLING or MARKETING or PRICING their whisky	A JUSTIFICATION for the PRICE of a bottle is attempted or offered by one or both HOSTS
One of the HOSTS mentions enjoying one of the bottles DESPITE it not being bottled at CASK STRENGTH	ANDREW talks about something that he did in life before he was THE SCOTCH GUY @ KWM	EVAN references his KIDS FREE SPACE ANDREW references his DOG	One of the HOSTS is wearing something that could almost be considered FESTIVE	The HOSTS attempt to convey factual distillery information or history for one of the bottles
CHIVAS BROTHERS or PERNOD RICARD are mentioned even if they had nothing to do with the bottle tasted	The HOSTS actually agree on what the two best whiskies in the lineup are	ANDREW decrees whether a whisky matured in sherry casks is OLD SCHOOL or NEW SCHOOL in style	The HOSTS bestow a massive amount of praise on an INDEPENDENT BOTTLER	One or more of the BOTTLE CAPS on the Advent bottles is near impossible to open. MARTY is once again thrown under the BUS.
The POLL at the end of the tasting DOES NOT CONTAIN a third, curiously irrelevant, question. EVAN is blamed	It becomes OBVIOUS that one of the HOSTS has already chosen a FAVOURITE WHISKY, even before the speed round	A HOST boldly proclaims that somebody is WRONG in their assessment of a whisky	EVAN makes a poor attempt at a DAD JOKE or PUN in the discussion or chat	The HOSTS talk about visiting the DISTILLERY the whisky being tasted was produced at
